

Turn Dresses into Dreams

with *Cinderella's Closet*

Cinderella's Closet encourages high school girls to recognize their beauty and value through a unique prom shopping experience. Our boutique operates solely on the kindness of volunteers, serving nearly 300 young women every spring.

Fairy Godmother

Help us "Turn Dresses Into Dreams" by shopping one-on-one with your very own princess! You'll provide the royal treatment for your princess as she chooses the dress & accessories of her dreams.

Fitter

Assess potential alterations, pin projects, and record details for the seamstress who will complete the projects at home.

Dress & Accessory Assistant

Help princesses shop for shoes and jewelry. Rehang dresses & restock accessory inventory.

At-Home Seamstress

This job does not require an expertise in alterations. Most of the projects are basic hems, taking up straps, and minor repairs. You will need to use your own sewing machine & basic notions. Projects will be picked up from Cinderella's Closet, completed at home and returned to Cinderella's Closet within one week.

Princess Check In

Greet our princesses & guests as they arrive, pair princesses with their fairy godmothers in our online database, and interact with passersby to share about Cinderella's Closet.

Princess Check Out

Check out princesses in our online database and stuff swag bags.

In-House Seamstress

Sew quick fixes inside Cinderella's Closet while our princesses wait.

*Additional roles available to men and women during set up & tear down.
See website for more information

Saturdays 12:30 - 6
